Dear Bill:

We have received your Reception Report for AM 109 dated 12/17/89 at 3:08 and find it to be correct.

AM 109 operates at 10Kw on 1090 KHz DA2 4 tower Day, 9 tower Night. We broadcast 24 hours daily, consisting mostly of music with some sports broadcasts.

We have 25 people involved with AM 109 from Announcers to News to Technicians to Secretaries.

We receive many Reception Reports from around the world and wish you good luck in your future Broadcast Band DXing.

Yours truly,
